Dear Kansas FBLA Adviser:

The Kansas Future Business Leaders of America State Executive Board is proud to continue the Chapter Mentoring Program for the 2009-10 year and would like to include you and your chapter. The program is designed to help new chapters and new advisers build an active chapter by assigning a veteran chapter to serve as their mentor. This successful chapter will answer questions, help with recruitment, and be a major help during conference registration deadlines. This program will not only be beneficial to the new chapter, but will also be rewarding for the mentor chapter. They will be able to take advantage of the networking opportunity.

The first step you should take is to contact me if you are interested in participating, and the State Executive Board will set you up for a successful year.

I hope that you will find this program to be very rewarding and beneficial. Please inform me of any questions that you might have at ryanp1992@hotmail.com.

Sincerely,

A handwritten signature in cursive script that reads "Ryan Patterson". The signature is written in black ink on a light-colored background.

Ryan Patterson
Kansas FBLA State President
