New Heights!

State Board Attends CTSO State Legislature/Citizenship Day

Kansas FBLA State Officers met in Topeka at the State Capitol on January 15, 2003. On this day, they joined with members of other Career and Technical Student Organizations throughout the state to participate in CTSO Legislature/Citizenship Day. Susan Peterson from Kansas State University spoke about Developing the "Critical Sound Bite." She focused on learning the issues present in our communities, becoming politically involved, and learning about lobbying. It was a great morning which concluded in a lunch with the State Board of Education and Kansas Board of Regents. In the afternoon, the State Board traveled to the capital and met Lieutenant Governor John Moore. Members then had an opportunity to meet with their representatives and senators to discuss the benefits of their specific CTSO.

The State Executive Board met with Lieutenant Governor John Moore to conclude CTSO Legislature/Citizenship Day.

State President Ginger Niemann, District II Vice President Judee Herring, and State Editor Kabel Robbins met with Senator Bob Lyons on January 15.

State Officer Candidates

President

Lindy Brownback, Lyndon

Nathan Miller, Rossville

Megan Smith, Santa Fe Trail

District I Vice President

Andrew Young, Lebo

District II Vice President

Georgia Campbell, Eudora

Ashley Locklin, JCN

District III Vice President

Brett Eakin, Rossville

Debra Olberding, B & B

District IV Vice President

Riclyn Resco, Clifton-Clyde

District V Vice President

Megan Abrahams, Canton-Galva

Christopher Stark, Chapparral

Megan Ziegler, Kingman

District VI Vice President

No Applications

District VII Vice President

Derek Douglas, Northern

Heights

Greg Wellnitz, Hartford

Secretary

Amber Stoltenow, Eudora

Treasurer

Heather Ardery, Chapparral

Local Chapter News Articles...

Linn

By: Nikki Hatesohl

February 10-14 was National FBLA Week. The Linn High School chapter participated in this yearly event. FBLA members put the date of FBLA Week and the March of Dimes on every computer screen in the high school. During the week, jars were placed in the office for all 7 through 12 graders and faculty. Whoever put the most money in the jars won the competition. The goal of the chapter was to collect either 2003 dimes or \$200.30. Announcements and signs were posted throughout the week including information about FBLA. An assembly on Friday ended the week with a dime stacking contest, an FBLA Quiz, winners of the March of Dimes collection were announced and District IV awards were handed out. In addition, Jacks Food Market and the Bank of Palmer were honored as Professional Members.

On February 13, 26 members competed in the District IV FBLA Conference at Clifton-Clyde High School. Students took tests, completed interviews, and were also able to compete in other various events. The day was very successful. Eighteen members placed in the top 10 in over 29 different events. Each received a certificate at Districts and qualified to compete at state. Eleven members placed in the top 3. Our chapter is now busy preparing for the state FBLA conference in March.

The Computer Learning Night on January 13 was successful. 14 people from the community and 15 students were involved. FBLA members enjoyed working with everyone. The night involved the students showing the people from the community more about computers. The students were there to help answer almost any questions the community had. The March 3 Computer Learning Night involved 9 adults and 11 students.

Northern Heights

By: Megan Hedberg

Northern Heights FBLA soared to new heights during FBLA-PBL Week as a variety of activities were completed. A recruitment dance for all of the USD 251 middle school students kicked off the week on February 8. The purpose of this dance was to expose the middle school students to FBLA so hopefully they will want to join when they get to Northern Heights. The Heights' team traveled to Olpe for the District VII contest on February 10 and came home with a 2nd place team finish. Other activities for the week included a "Which Teacher Gets to Kiss the Goat?" contest to raise money for the national scholarship fund and selling "Valentine Treats" for the March of Dimes. Valentine cookies were baked, frosted, and given to all 250 students and teachers as they left school on Valentine's Day. National FBLA Community Service Day found Heights members at the North Lyon County Youth Association hosting a pancake feed to raise funds for the nonprofit organization. Over 100 hours of time was donated to this event which brought our total volunteer hours to the youth association (our community service project) for the year to over 1,000.

Members are looking forward to the upcoming state leadership conference as we campaign to have our first district vice president in over twenty years elected and hope to have a strong showing in the competitive events. Members are busy completing reports, working on the campaign booth, and getting for ready for the competitive events. Our chapter has truly soared to new heights this year!

Jefferson County North

By: Joanna Schrick

"The District II Conference was excellently planned and went successfully on February 10. Judee Herring is a very organized leader and I thank her for her commitment to FBLA. The JCN Chapter placed very well and received 3rd overall. Congratulations to all the FutureBusiness Leaders of America competitors." Joanna Schrick

The Fall Leadership Conference took place in Denver, Colorado, this year. The members that attended from Jefferson Country North were Ginger Niemann, (National Secretary and State President) Judee Herring, (District II Vice President), Kristin Schuler, Ryanna Whaley, Kristina Wagner, Michelle Foster, Shannon Keirns, Shelly Schwalm, Ashley Locklin, and Matt Becker. The advisors that attended were Sharon Porter and Cindy Johnson, (JCN Chapter Advisors) along with Kristy Noll.

"The Speaker, Byron Garrett was inspirational and a joy to listen to. He taught me to be open to new things and be a better person. I am glad that he was the speaker for The National Fall Leadership Conference," were the thoughts from Kristina Wagner, a member who attended the conference.

The current District II Vice President is Judee Herring. She put on a very successful conference, with seven schools attending. "[The Conference] went really smooth, and I'm glad all the schools participated and brought such a great turnout," says Judee.

Jennie Cox and Laura Noll are the current JCN Community Service directors. A few ideas planned to do this year are a senior citizen's dance, hopefully to take place in the spring. The girls are also sponsoring a March of Dimes fundraiser, where they are collecting dimes from various businesses in the area. They are in the progress of brainstorming new ideas.

We recently had a blood drive on January 15 and we successful donated 42 pints of blood, with a total of 48 participants. A big thanks to the United Community Blood

Bank for helping us put together our blood drive.

On March 27 and 28, JCN will be going to Emporia to compete in the state conference. Soon the chapter will start studying for the tests. Ashley Locklin is the only member running for the State Office of District II Vice President. She has been working hard with the slogan of "Lock in with Locklin." Good Luck to Ashley on her campaign! Let's hope that all the members who placed high at districts will go on to do well at state.

Officers Appear on TV

During National FBLA Week, State Officers contacted local news stations to schedule an interview. Kabel Robbins, State Editor, and Judee Herring, District II Vice President, appeared on Channel 49 "Talk of the Town" on February 12, 2003. Ginger Niemann, State President, also appeared on Channel 13 news the same day. These officers had the unique opportunity to inform thousands about FBLA and its activities.

Kabel Robbins and Judee Herring spoke with Betty Lou Pardue on Channel 49 News "Talk of the Town."

The Kansas FBLA Webpage now includes:

- Three editions of *The Kansas Exchange*
- Kansas FBLA Policies
- State Board Meeting Minutes
- Kansas FBLA Calendar of Events
- And more!

Pleasant Ridge

By: Amy Schwindt

The Pleasant Ridge FBLA chapter recently teamed up with the school's FFA chapter to hold a silent auction for one of the chapter member's family. The family lost their home in a fire and the proceeds for the silent auction went to the family to help them start over. Some of the items up for auction were KU basketball tickets, an autographed K-State football, and numerous gift certificates.

During February 10-14, 2003, Pleasant Ridge FBLA members were busy celebrating National FBLA Week. Various contests were held including "Guess the Number of Hearts" and "Under Your Chair Day." Prizes were awarded to winners compliments of FBLA. Members are now looking forward to the state competition in March.

Oskaloosa

By: Mallory Ala

Oskaloosa FBLA organized many activities throughout National FBLA Week. On Monday, members attended the District II Conference and our chapter placed second overall. Tuesday was Blue and Gold Day with members being encouraged to wear the FBLA colors or dress like their favorite star. We also remembered all of the businessmen in town with balloons and candy.

On Wednesday, Advisers Mary Ann Niemann and Marie Moffet were thanked for their dedication and support. Thursday was teacher appreciation day with every teacher receiving a treat from our chapter.

On Friday, Valentines Day, every member was treated with candy for their support throughout the week. Our chapter also participated in the Community Service Marathon sponsored by National FBLA and logged a large number of hours during the week. Members participated in many projects to better our community, and our chapter is looking forward to the state conference.

Governor's Proclamation

The State FBLA Officers traveled back to the State Capital on January 29, 2003 to meet with Governor Kathleen Sebelius. On this day Governor Sebelius signed a proclamation designating February 9-15, 2003, as FBLA Week in the state of Kansas. The State Board spoke briefly with the Governor about FBLA and the benefits it gives to each of its members.
