State officer Interviews at SFT

On January 5, the State Executive Board met at Santa Fe Trail High School. The issues at hand were the by-law Amendments and interviewing the new state officer candidates.

Each officer candidate was asked to give a brief two minute speech about themselves and why they were running. The meeting was then recessed for the interviews.

Candidates answered questions about leadership, time management and other questions pertinent to being a State Officer.

The meeting was called back to order and the slate of officers were accepted. The meeting then broke for lunch. The meeting was then reconvened.

Other items on the agenda included: District Conference preparation, and deciding whether to approve the bylaw Amendments to be voted on at the State Leadership Conference.

Altogether, there were seven bylaw Amendments. The officers approved all of the amendments.

The State Officers held their annual secret Santa gift exchange after the meeting.

By-Law Amendments

*Article VI Section 2.C.9

Proposed Change:

Strike out "website design background"

*Article VI Section 2.C.10

Proposed Change:

Strike out "a" and insert "an electronic or traditional" after the word "preparing"

*Article VI Section 3

Suggested Change:

Strike out the entire section

Article VI Section 1.C

Proposed Change:

Strike out the duty of letter C

*Article VII Section 1.K

Proposed Change:

Change letter K to letter L and insert letter K, which would then state "Prepare a tentative Program of Work

prior to the Spring Executive Board meeting; and

*Article VII Section 6.D and 6.F

Proposed Changes:

D) Bold and underline "The Kansas Exchange" and strike out "and the State News Publication"

F) Strike out the sentence and insert "Assist the company hosting the Kansas FBLA website in the maintenance of the current state website."

LOCAL CHAPTER NEWS

Linn High School– Linn FBLA

Linn FBLA included a new service project this year and collected cans for the local food pantry during the month of October. Then on Halloween night, members canvassed the area communities and Trick-or-Treated to collect donations for March of Dimes.

Christmas was celebrated with the annual pizza party which also included a gift exchange. The gift exchange consisted of the advisor reading a poem. Each member had a sticker with a word on it and when the advisor read that word, you were able to obtain your prize

with the matching sticker.

President Hannah Voelker organized activities in recognition of National FBLA Week. Many members were very active in the events that were sponsored. Monday was member recognition day. Members received a balloon on their lockers. Tuesday was career day. Jim Pachta and Jack Diekmann were asked to speak to the chapter about their career. Wednesday members proudly supported their organization by wearing blue and gold for color day. On Thursday several students played a round of bingo at the Linn

Nursing Home. Friday was a fun day for faculty as FBLA showed appreciation by handing out free doughnuts and orange juice before school started for the day.

District IV Contest proved to be very successful for our chapter with 31 out of 39 members placing in the top 10 with 18 in the top three placings. We are very proud to have both Mrs. FBL (Heather Oentrich) and Mr. FBL (Cody Richter) from the Linn chapter competing at state contest. Preparations for state contest are now being conducted.
